

Product Description

No Smoking & Fasten Seat Belt Symbols

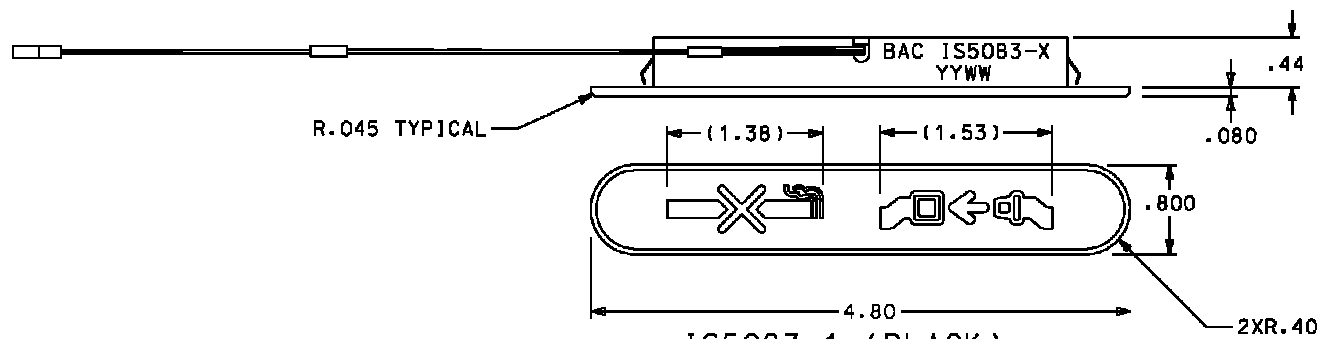

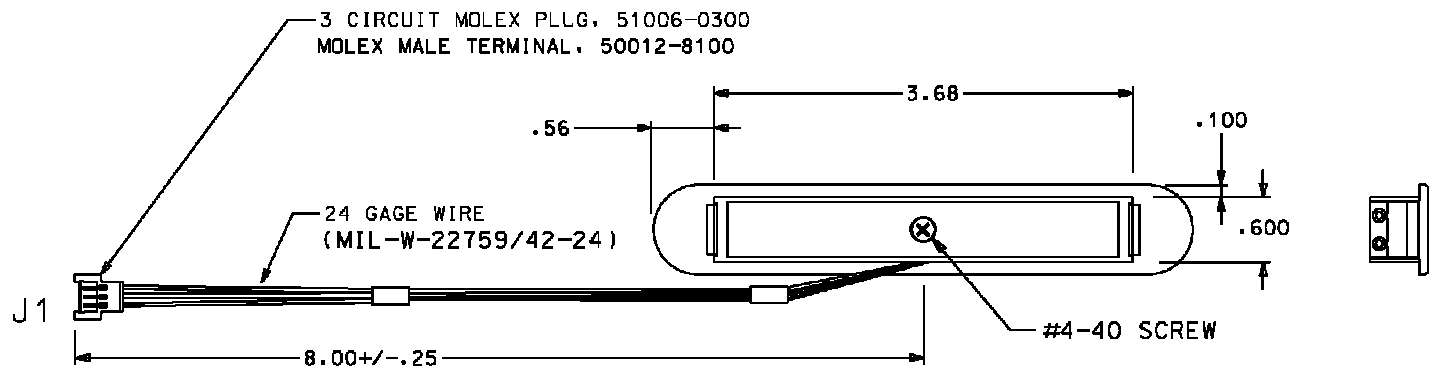

No Smoking & Return To Seat Symbols

Long life amber and red LEDs

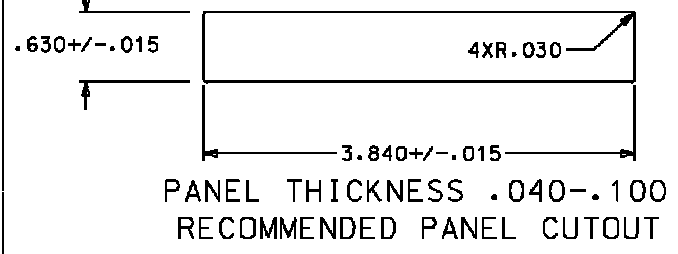

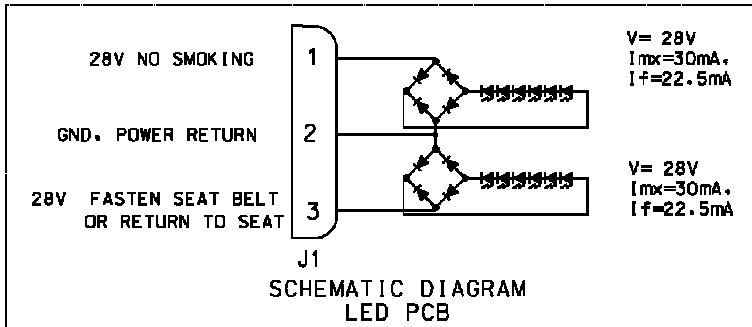

Operates on 28V AC or DC

Light weight plastic construction

Spring clips for simple snap-in installation

IS5083-1 (BLACK)
IS5083-3 (WHITE SAND)

The IS5083 LED type information is a narrow low profile design with injection molded plastic bezel. The wire termination is provided with a miniature connector that accommodates tight spaces. The information sign is available in two standard colors of black and cream. Additional custom colors can be provided. Stainless steel mounting clips are utilized for installation of the area light in a wide range of panel thicknesses.
